Churches of Christ, Scientist
How freedom from disease and discord can be established will be brought out at Christian Science Services Sunday in the Lesson-Sermon entitled "Reality." Selections to be read from

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE
Read Mark 11:1-11. What shall I do then with Jesus which is called Christ? (Matthew 27:12).

Pilate asked the people, "Then what shall I do with Jesus who is called Christ?" On the preceding Palm Sunday the people who saw Jesus making His triumphal entry to Jerusalem were confronted in reality by the same question.

Most of them were ready to honor Him as a guest in their city, but not willing to allow Him to become their personal savior. Some were willing to sing hosannas in His praise, but without the surrender and the consecration that that proclamation means for every true follower of the Master.

We, too, must answer the question Pilate asked. Do we praise Christ with our lips but deny Him in daily living? Do we engage in charitable and religious activities but neglect to make Him the center of our lives, the power of all our achievements? What shall we do with Christ? May God help us to answer: "I'll make Him King of my heart, Master of my life, for in Him dwells the whole fullness of deity."

PRAYER
Lord of our lives, we want to proclaim Thee King and Lord of our hearts this day and forever. Help us to honor Thee in daily living by recognizing Thee as the purpose of all our efforts and achievements. In Thy name we pray. Amen.

THOUGHTS FOR THE DAY
To proclaim Christ means to give our lives to His purpose and plans.

VIOLA CAVALLER (Uruguay)

"Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (14:1-21:23): "The Scriptures are the Word of God (God) there is none else beside Him." Even so, harmony is universal, and discord is unreal.

Mark's description of how Christ Jesus established harmony in the experience of the man "sick of the palsy" (C-312) will be among selections read from the King James Version of the Bible.

The Golden Text is from Psalms (111:2): "The works of the Lord are great, sought out of all them that have pleasure therein."

A Passover Prayer: O Lord our God and God of our fathers, we greet this festival of freedom with joyful hearts. As Thou didst redeem our fathers from the slavery of Egypt and didst lead them to the land of their inheritance, so hast Thou been our Saviour and Guardian, through all the centuries.

We thank Thee, O God, our redeemer, that our lot has fallen in this blessed land, dedicated to liberty and peace. May we be imbued with a deep sense of our duty as free men; and when we gather in our homes in happy family reunion, may we be mindful of those who still dwell in the house of bondage and eat the bread of affliction.

O that the good message of redemption may soon be heard in every land. May those who hunger after freedom and justice be satisfied, and may all mankind be blessed with the joys of brotherhood and peace.

Prayer by Shm. O. L. H. our God, Ruler of the world who has granted us life, sustained us, and permitted us to celebrate this joyous festival.

BPW Club Hears Dr. Johanna Byers

Dr. Johanna Byers, Director of Palm Beach County Guidance Center, spoke on mental health at Tuesday's meeting of the Business and Professional Women's Club in a program on "Increasing our Knowledge of Mental Health."

Mrs. Ruth Wedgworth, health and safety chairman, introduced Dr. Byers who gave an interesting, educational and informative talk on various phases of mental health.

She pointed out that for the sake of mental health we must first accept ourselves for what we are, with limitations of what we can and cannot do. Other contributing factors, she stated, are — to feel safe and secure in our work or home; to feel that what we are doing is worthwhile; to feel loved, or important to someone.

She explained briefly her work with children at the guidance center and answered questions from the audience. Members from clubs throughout the community attended the meeting.

Mrs. U. W. Malcolm presented a humorous skit in keeping with mental health which received much applause.

Diamond Squad Drops Two Games

By Jack McCaskill

The Rams' victory of their first diamond victory of this season, the Rams dropped two games at 4 p. m. here.

Both teams have lost two to no victories in Suncoast Conference play. Neither is regarded as a serious contender for the conference championship since both suffered seriously from graduation last year and are in the process of rebuilding with young and inexperienced players.

P. Pierce 12 Belle Glade 2

The Rams dropped their opener to P. Pierce 12 to 2. Biles, Pierce pitcher, allowed four scattered hits but walked seven men to keep the Rams well in check until the seventh inning when they scored two runs.

The Rams faced no better field where they committed seven glaring errors which accounted for nine unearned runs. Jimmy Webster and Wayne Blair gave up seven walks and eight hits besides receiving poor support at second base and shortstop positions.

Royal, Armstrong and Norris hit safely for the Rams while Porter and Gray collected two hits each to lead P. Pierce 10 Belle Glade 10.

In their second outing, the Rams lost a close one to the Lake Worth Trojans 11 to 10. The Rams were out in front enjoying a comfortable 3-0 lead when the roof caved in during the sixth inning.

When the smoke cleared away, the Trojans had pushed eight runs across the plate. A three run rally in the Rams last inning fell to one run by the Trojans pulling the game out of the fire.

Bair and Webster gave up eight hits and walked seven while Hoover and Fagan of Lake Worth gave up five hits and walked thirteen.

In Lake Worth's big inning a fly ball hit to Leon Burkett in center field looked like a sure out but Jones and Burkett collided in an effort to make the catch. The error cost the Rams four runs and the ball game.

Social Security For Puerto Ricans Required

The Internal Revenue Service stated today that considerable

confusion appears to exist as to whether or not Puerto Rican farm workers are subject to social security taxes. The Revenue Service issued the following statement in order to clarify the situation:

For social security tax purposes, an individual who is a citizen of Puerto Rico is considered a citizen of the United States.

A Puerto Rican farm worker is subject to social security tax if he receives \$100 or more cash wages for agricultural labor from any one employer during the calendar year.

The social security taxes apply to cash wages of \$100 or more paid by each employer in a calendar year to an employee for agricultural labor. The tax is four percent of taxable wages paid (2 percent employer tax and 2 percent employee tax). Any employer who paid cash of \$100 or more during the calendar year 1955 to a Puerto Rican employee for agricultural labor should have reported and paid the tax on such employee prior to February 1, 1956. If this was not done, he should contact his Internal Revenue Service office at once.

On The . . . STREET CORNER

Strange sight This week Bobby Newman, deputy sheriff, reported a nude was apprehended walking down the FEC tracks last week. The low wore socks only. Folks are the PD were wondering why he bothered to don socks. One quipped: "That's easy. He didn't want to get his feet dirty."

High Rating Given
Glee Club Groups

The high school Glee Club, under the direction of Miss Marian Najarian, made a fine record in the District I vocal contest, last week. Sixty-four of the eighty-five songsters participated in the contest at Miami Edison High School.

The mixed chorus sang "Now is the Month of Maying," by Morley, and "Lost in the Night," by Christenson. This chorus made Excellent, or a 2nd division on this section of the contest and Superior, or a 1st division on the sight reading.

The girls chorus sang "The Twenty-third Psalm," by Frey Newman, and "We Sing Thy Praise," by Klach. This chorus made Superior in both phases of the contest. The boys quartet sang a spiritual, "The Old Ark's A Moverin'," and were rated Excellent.

Miss Glenda Dell, played a piano solo, "Soprano," by Liszt, and was rated Superior. Ouida Lanier rated Excellent on her piano solo, "The Minute Waltz," by Chopin. "Polonaise in A," a piano solo written by Chopin, brought Miss Alma Ann Chure a 3rd division, or Good.

Vocal soloists, Misses Molly Forsee, and Peggy Zelman both rated Good, on their performances. Miss Forsee sang "I Love Thee," by Grieg, and Miss Zelman, "My Heart At 30," by Saint-Saen.

The judges, who were very complimentary to the group, were: Dr. House Right, from Florida State University; Mr. Wallace Gause, who is the county supervisor of music at Clearwater; and Mr. Ableson, of the University of Florida. The sight reading judge, was Mr. Howard Doolin, who is the supervisor of elementary music for Dade County.

Miss Najarian stated that she was very pleased with the results of the contest and also the behavior of the club members while in Miami.

The local students enjoyed very much hearing the larger choruses, who were in the "A" and "B" class schools perform. To close the contest, the entire mass of one thousand voices sang, "Omnipotence," by Schubert; "Dark Water," a spiritual by James, and "O Rejoice Ye Christians," by Bach.

The chorapleons for the trip were: Mr. John Paul Jones, Mrs. Mary Riley, Mrs. W. T. Forsee, and Mrs. Ruth Bailey. Several members of the club

had the privilege of wearing new robes, which were purchased for them by the Parent Teachers Association. The club wishes to extend their hearty thanks for their badly needed robes.

Beatrice Propp Is
GOP Candidate

Beatrice Propp, Republican candidate for representative, Group 3 subject to the primary May 8, announced her candidacy principally on a two point plan.

Miss Propp feels that there is a need for a two party system of government in this county, and she also states that women are not represented in our state legislature. As a result, she stated, there are antiquated laws on the statute books designed to subjugate and shackle the women of the state.

Miss Propp, a native of New York state, received her B. A. degree from Syracuse University in 1938 and became a permanent resident of Palm Beach that year.

After being employed in numerous federal posts in this state including service with the Foreign Military Intelligence, she was graduated from the Law School of the University of Miami.

She is active in county and state Republican circles and is a member of the Palm Beach and Florida Bar Associations as well as being president of the University of Miami Alumni Association of the Palm Beaches.
